Sir:

REMARKS

Applicant offers the following comments in response to the Examiner's Statement of Reasons for Allowance set forth on page 2 of the Notice of Allowability dated September 21, 2005.

The Examiner paraphrases the language recited in the independent claims and does not accurately recite the language in at least claims 1 and 20. Accordingly, Applicant respectfully submits that each claim is allowable based on its own language and not based on any paraphrasing or addition of language that may have been made by the Examiner.

Patent Office personnel are requested to note that the present submission does not adversely affect the patent term adjustment accrued by the Applicant to date. As emphasized in
